### **5000 Role Models Of Excellence Project**

The Sons of Allen thank you for your generous gifts in 2016, of white dress shirts to the young men of the 5000 Role Models of Excellence Project. Your kind donations helped this project to afford 385 students the opportunity to receive college tours and job shadow experiences.

As we prepare for the 2017-2018 school year, the Saint Paul Family has again been asked to contribute to this most worthy effort, by donating new, white, long sleeve dress shirts, sizes 15, 15½, 18, 18½ and 19.

Receptacles for the shirts are available in the James M. Proctor Center.
